Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Tuesday 17 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Tuesday starts cloudy with patchy rain. Drier in the east.

Today:
Overcast with light rain and some mist and fog. Rain mostly becoming confined to western coastals and Isles by mid-afternoon as clearer conditions reach the east, particularly around Inverness which will see some sunny intervals. Maximum temperature 17 deg C (63 deg F).

Tonight:
Futher patchy rain, mist and fog will affect the western coasts and spread inland during the evening. Drier with clearer spells towards Inverness. Breezy in the north by dawn. Minimum temperature 10 deg C (50 deg F).

Wednesday:
A windy and wet start for Caithness and Sutherland. An improving picture during the day with lighter winds and some brighter or sunny weather for most places by afternoon. Maximum temperature 17 deg C (63 deg F).

Outlook for Thursday to Saturday:
A dry and bright outlook for Thursday and Friday with some warm sunshine breaking through at times. Perhaps cloudier with some rain and stronger winds on Saturday.
